Notes from the Podium

Happy Spring everyone! We just had our CBC band trip, which we won, and it went smoothly thanks to everyone who participated and helped. We also traveled with over 50 students to the State Solo and Ensemble Festival. As we approach the end of the year, there are many performances and much music to be made. We are looking forward to seeing you at our events, opele who will be attending. Also, marching band practices are just around the corner, starting on May 2nd, so get hyped for everyone's favorite time of year. Let's make this April the best one yet

Parent Booster Meeting

The MVHS Instrumental Music Program is an exciting, active organization. We are proud to have a committed, enthusiastic group of students who are involved in the music making process. These musical ambassadors are a source of pride for our program, school, and community.

An equal source of pride is our parent support group. These dedicated parents and friends have given unselfishly of their time and talents to provide enrichment experiences for the students involved in our program.

During the course of the school year, our parent boosters make a difference. Annual projects help raise needed funds to offset the costs involved in travel, equipment and related educational expenses. Our parents also help manage uniform maintenance and distribution, assist with transport and set-up of equipment, and serve as chaperones.

On **Tuesday, May 15th at 6pm** the boosters will be meeting in the band and orchestra room to discuss upcoming events and begin planning for next year. The meeting should not last more than an hour. Please try to clear your calendar and attend. By attending and participating in our parent support group, you can stay informed of the activities of the band and orchestra program and get involved. Our new director Mr. Claassen will also be there - come and meet the newest MV Music faculty member!

Parents volunteers - we need you!!!
