Payback Books - This year the Payback book is available for purchase online! Students can sell payback books to raise money to offset their Fair Share fee and future expenses. Any funds that are not used in a student's account this year will accrue in their account for the future.

To buy a Payback book: Go to www.paybackbook.com. Click on "Purchase a 20/21 Payback Book". When you navigate through, you will be able to select "Mtn View HS band" and even select the student that will get the fundraiser profit in their account (\$10 per book). Please note that there is a flat \$4.99 shipping fee regardless of the number of books purchased.

Fair Share - This year's Fair Share has been reduced to \$25 for the year. This money will serve to bring in virtual guest clinicians and instrument specialists to give master classes to supplement student instruction as well as pay for materials and supplies for distance learning.
